

REGISTRO 1000 MIGLIA REGULATION

Definitions

1000 Miglia: means the historical reenactment of the 1000 Miglia race held from 1927 to 1957.

1000 Miglia Registry Office: means the 1000 Miglia S.r.l. staff assigned to the Register office.

1000 Miglia S.r.l.: means the company 1000 Miglia S.r.l.

ACI Fiche classic car regularity: means the Car identification document issued by ACI SPORT.

Annexes: means the following Annexes:

- Annex 1: Economic Terms and Conditions;
- Annex 2: List of Eligible Car.

Applicant: means the natural or legal person requesting registration into the Register. If the same does not coincide with the Holder of the Car, the latter shall provide a proxy in accordance with the provisions of art. 5.2.1 of this Regulation.

BoD: means the Board of Directors of 1000 Miglia S.r.l.

Brand: means the commercial name, trademark or name of the manufacturer of the Car used by the manufacturer itself at the time of manufacture.

Car: means the car that is the subject of the Request for registration into the Register.

Car Registration Identification Number: means the unique and permanent number associated with a single Car. In the event of a change of owner of, or technical updates to, the Car the same does not change. It is shown on the Plaque and on the Certificate.

Certificate: means the 1000 Miglia Register certificate issued by 1000 Miglia S.r.l. following acceptance of the Request of registration into the Register.

Certificate Number: means the number associated with the issued Certificate. It is included on the Certificate.

Chassis Number or other: means the chassis number of the Car represented by a numerical (eg: 123435) or alphanumeric (eg: AB23Z4) sequence and / or other sequence of special characters (eg: D*168@), or any other number originally used by the manufacturer to identify the Car.

Eligibility: means the condition for which the Car is eligible to be registered for the reenactment of the 1000 Miglia race.

Eligible Car: means the Car Model that has been registered in at least one of the twentyfour editions of the 1000 Miglia races held between 1927 and 1957 according to Annex 2.

FIVA: means the Fédération Internationale des Véhicules Anciens.

FIVA ID: means the FIVA identity card referred to in art. 5.1 lett. i).

This Regulation has been approved by the Board of Directors of 1000 Miglia S.r.l. on 14th July 2022 and entered into force on 14th July 2022

Holder: means the natural or legal person who has the availability of the Car on the basis of the ownership documents required for the issuance of the Certificate. The Certificate is made out to this person.

Manufacturer: means the structure, factory, company or natural person who built and / or commissioned the Car.

Model, Series, Type: means to the commercial name, when available, used by the manufacturer at the time of marketing the Car.

Participant Car: means the specific Car that has been registered in at least one of the twentyfour 1000 Miglia races held between 1927 and 1957.

Period of Use: means the period during which the Car was in use according to the provisions of the FIVA regulations. It runs from the year of manufacture of the Car plus fifteen (15) years. Taking into account the war period 1939-1945, the duration of the Period of Use is increased to twenty (20) years if the year of manufacture of the Car is before 1945.

Plaque: means the support provided by 1000 Miglia S.r.l. following the issuance of the Certificate and bearing the Car Registration Identification Number.

Provisional Certificate: means the provisional Certificate issued by 1000 Miglia S.r.l. in compliance with art. 5.1 lett. i) of this Regulation.

Register: means the 1000 Miglia Register (Registro 1000 Miglia) established by 1000 Miglia S.r.l. The "Registro 1000 Miglia" trademark is owned by Automobile Club Brescia and 1000 Miglia S.r.l. is the exclusive licensee.

Registration year: means the year in which the Car was first registered.

Regulation: means this 1000 Miglia Register Regulation.

Request: means the request for registration into the Register made directly by the Holder or by an Applicant with a proxy.

Technical Consultants: means the subjects referred to in art. 2.4.

Year of Construction: means the year in which the Car was manufactured by the manufacturer.

1. The 1000 Miglia Register

The Register includes the list of Eligible Cars and Participant Cars for which a Certificate has been obtained.

In order to obtain the Certificate, the Car Holder shall request the registration to the Register as an Eligible Car or a Participant Car, upon payment of the consideration provided for in art. 1 of Annex 1.

Possession of the Certificate allows registering the Car to the 1000 Miglia, and to other events where permitted by the respective regulations, without having to register the Car with documents and photos but only by indicating the Certificate Number.

2. 1000 Miglia Register Bodies

The approval of the Regulation, and of any subsequent update, is the exclusive responsibility of the BoD.

The BoD appoints and revokes the members of the bodies that compose the Register.

The bodies of the Register are:

- The Scientific Committee;
- The Management Committee;
- The Honorary Committee.

These bodies may avail themselves of the advice of technicians chosen from the list of Technical Consultants. These Technical Consultants are appointed by the President of the Board of Directors of 1000 Miglia or by the CEO of 1000 Miglia.

Before accepting the assignment all members of the bodies, as well as the Technical Consultants, must declare the non-existence of incompatibility and non-appointability causes as well as subscribe the acceptance of the Code of Ethics and Conduct and the model pursuant to Italian Legislative Decree 231/2001 adopted by 1000 Miglia S.r.l.

2.1 Scientific Committee

2.1.1 The Scientific Committee is composed of the following seven members whose offices have the following durations:

- Chairman of the BoD of 1000 Miglia S.r.l., who will act as Chairman of the Scientific Committee until the termination of his/her office as Chairman of the BoD of 1000 Miglia S.r.l.;
- Representative of the executive board (comitato direttivo) of Automobile Club Brescia, upon proposal of Automobile Club Brescia, with duration up to the termination of his/her office as director of the executive board (comitato direttivo) of Automobile Club Brescia or until revocation by Automobile Club Brescia;
- Three international experts on classic cars for the duration of three (3) years tacitly renewable for a further duration of three (3) years;
- Historical consultant of 1000 Miglia S.r.l. who shall also act as Chairman of the Management Committee for the duration of his/her office as historical consultant at 1000 Miglia S.r.l.;
- Representative of the Mille Miglia museum, as proposed by the Mille Miglia museum for the duration of three (3) years, tacitly renewable for a further duration of three (3) years or until revocation by the Mille Miglia museum.

2.1.2 The Scientific Committee reports directly to the BoD and has the following functions:

- Proposes to the BoD this Regulation and any subsequent amendment;
- Proposes to the BoD the guidelines of the internal regulations of the Management Committee;
- Advises the Management Committee;
- Proposes to 1000 Miglia S.r.l. the appointment of Brand experts to be included in the list of Technical Consultants, independently or on the proposal of the Management Committee;
- Proposes, by reasoned act, to the BoD the suspension, also precautionary, and / or revocation of Certificates;
- Analyzes and decides on the requests for review presented by an Applicant in the event of Requests rejected by the Management Committee pursuant to art. 5.3 of this Regulation.

2.1.3 The Scientific Committee meets approximately annually or upon request at 1000 Miglia S.r.l. seat. Meetings can also be held remotely via video / audio conference. Meetings are convened by the President of the Scientific Committee through a written notice sent to its members with indication of the agenda. Meetings of the Scientific Committee are considered validly held in the presence of at least four members. In case of tie, the vote of the Chairman shall be considered double.

2.1.4 Members of the Scientific Committee have right only to the reimbursement of the expenses incurred according to the 1000 Miglia S.r.l. policy and in relation to the role.

2.2 Management Committee

2.2.1 The Management Committee is composed of the following four members for the following durations:

- Historical consultant of 1000 Miglia S.r.l., as representative of the Scientific Committee, who will have the role of Chairman of the Management Committee for the duration of his/her office as historical consultant at 1000 Miglia S.r.l.;
- Expert on vintage cars for the duration of three (3) years tacitly renewable for a further duration of three (3) years;
- A FIVA representative expert in vintage vehicles as proposed by FIVA and approved by 1000 Miglia S.r.l. for the duration of three (3) years tacitly renewable for a further duration of three (3) years or until revocation by FIVA;
- A representative of ACI Storico expert in vintage vehicles as proposed by ACI Storico for the duration of three (3) years tacitly renewable for a further duration of three (3) years or until revocations by ACI Storico.

2.2.2 The Management Committee reports to the BoD and has the following functions:

- Updates and checks the list of Eligible Vehicles;
- Evaluates the Requests presented by Applicants, approving or rejecting the same arranging or rejecting the registration by reasoned act;
- Proposes to the Scientific Committee amendments to this Regulation;
- Requests advice from the Scientific Committee;
- Proposes to the Scientific Committee the inclusion of Brand experts in the list of Technical Consultants;
- Proposes to the BoD the internal regulations of the Management Committee;
- Proposes by reasoned act to the BoD the suspension and / or revocation, also precautionary, of the Certificates.

2.2.3 The Management Committee meets at least monthly at the 1000 Miglia S.r.l. seat. Meetings can also be held remotely via video / audio conference. Meetings are called by means of notice sent by the 1000 Miglia Registry Office, at the request of the Chairman, or of at least no. 2 members, to the members with indication of the agenda. Upon recommendation of the Chairman, Technical Consultants may also participate to the meetings. In extraordinary cases, the CEO of 1000 Miglia can call the meetings of the Management Committee.

2.2.4 Management Committee's meetings are considered valid with the presence of at least three members. In case of tie, the vote of the Chairman, or whoever carries out his functions in the absence of the President, shall be considered double.

2.2.5 Members of the Management Committee have right only to the reimbursement of expenses incurred according to the 1000 Miglia S.r.l. policy and in relation to the role, unless otherwise resolved upon by 1000 Miglia S.r.l.

2.3 Honorary Committee

2.3.1 The Honorary Committee is composed of the following seven (7) members who will remain in charge up to the termination of their office in the relevant body or company:

- Chairman of the BoD;
- Chairman of ACI Italia;
- Chairman of ACI Brescia;
- Chairman of ACI Storico;
- Chairman of FIVA;
- Chairman of the Mille Miglia museum;
- Chairman of the 1000 Miglia club.

The Honorary Committee, having no operational functions, meets only at the request of the Chairman of 1000 Miglia S.r.l.

2.4 List Of Technical Consultants

2.4.1 The list of Technical Consultants is made up of individuals with specific knowledge in relation to Brands or Cars with the aim of advising the Management Committee on specific issues.

The members of this list can be proposed by the Scientific Committee or by the Management Committee. Registration in the list has a three-year duration with tacit renewal and can be revoked by 1000 Miglia.

2.4.2 The Technical Consultants will have right to the reimbursement of expenses incurred according to the company policy and in relation to the position held.

3. 1000 Miglia Register Certificate

3.1 The Certificate is the document that, for each Car, shows:

- Brand;
- Model;
- Chassis Number;
- Year of Construction;
- License plate;
- Current Country of registration;
- Name of the Holder;
- Nationality of the Holder;
- Engine and bodywork data;
- Photos;
- Any participation in the historical 1000 Miglia race or in the 1000 Miglia reenactment.

3.2 The Certificate is issued to the Car's Holder who is responsible for any failure to communicate technical updates or new documents regarding the Car after the Certificate has been issued.

3.3 Annual fee for participating to the register activities

- 3.3.1 It is the consideration, whose amount is indicated in art. 3 of Annex 1, the payment of which is essential for registering the Car for the 1000 Miglia and for any further events that requires the same, and entitles to the annual Base Welcome Pack as well as to opportunities, promotions and services exclusively dedicated to participants.
- 3.3.2 The first annual consideration for participating to the Register activities will not be charged, in light of the issuance of the Certificate. Each annual consideration following the first one, the amount for which is provided for in art. 3 of Annex 1, will cover the period from July 1st immediately following the date of issuance of the Certificate of Registration in the Register, up to the next June 30th; the following installments will cover the periods starting from July 1st of each year and up to June 30th of the following year.
- 3.3.3 In the event of failure to pay the annual consideration (for the years subsequent that of obtaining the Certificate, in light of what indicated in Article 3.3.2. above) the Certificate remains valid but the Holder will not be entitled to the benefits deriving from the annual registration consideration. By way of example by way of example and not exhaustive, registration for the 1000 Miglia cannot be finalized.

4. Tipologie di certificato

4.1 There are two types of Certificate.

1000 Miglia Eligible Certificate:

It is the Certificate issued to Cars whose Model was registered in at least one of the twenty-four editions of the 1000 Miglia races held between 1927 and 1957 according to Annex 2 as well as subsequent updates.

1000 Miglia Participant Certificate:

It is the Certificate issued to single specific Cars that have been registered in at least one of the twenty-four editions of the 1000 Miglia held between 1927 and 1957. The Participant Certificate can be of the following three categories:

- i. 1000 Miglia Participant: issued to Cars that were registered in at least one of the twenty-four editions of the 1000 Miglia held between 1927 and 1957;
- ii. 1000 Miglia Class Winner: issued to Participant Cars which obtained a class victory at the 1000 Miglia 1927-1957;
- iii. 1000 Miglia Overall Winner: issued to Participant Cars which obtained an overall victory at the 1000 Miglia 1927-1957.

4.2 Upon the issuance of a Certificate, also the Car Registration Identification Number and the Certificate Number are issued.

5. Documentation required and procedure for managing the request for a certificate

5.1 Documentation required

The following documents shall be necessary for each Car in order to obtain the Certificate:

- i. FIVA ID: It is issued by FIVA. If, at the time of the Request, a Car does not have a FIVA ID, as the same is expired or absent, or if the FIVA ID includes Car data that are inconsistent with the other documentation presented, the 1000 Miglia Registry Office assigns a term of six (6) months to the Applicant for producing this document. If the Applicant does not produce the document within the assigned deadline, the Certificate's fee will be returned in accordance with the provisions of art. 4 of Annex 1.

If the FIVA ID is valid, but in the name of a Holder other than the one indicated in the documentation presented by the Applicant, or if the Applicant has a Provisional Fiva Certificate, the Request is in any case examined by the Management Committee and, where the conditions are met, a Provisional Certificate is issued with a validity of six (6) months. During such a term, the Applicant must produce the updated FIVA ID: in case of presentation, the Certificate will be issued; if not, the Provisional Certificate will expire and no reimbursement of any fee will be due.

If a FIVA ID expires during the period of validity of the Certificate, the Holder shall request its renewal and send it to 1000 Miglia S.r.l. within nine (9) months from the expiry date. If the new FIVA ID is not sent, the Certificate will be revoked pursuant to art. 9.3 of this Regulation.

- ii. ACI Fiche classic car regularity, or certificate of registration in the historic ACI club register (if obtainable for the Car): the Applicant can produce alternatively one of such two documents. If the Car does not possess either of the two documents, the Applicant may request support from 1000 Miglia S.r.l. for asking a Fiche ACI classic car regularity under the conditions set out in art. 2 of Annex 1. In this case 1000 Miglia S.r.l. will act as intermediary and assumes no responsibility for the veracity of the documents and data communicated by the Applicant, nor for the failure to obtain such document.

5.2 Procedura di gestione della richiesta di certificato

- 5.2.1 The Applicant must access the registration platform on the website www.registro1000miglia.it, follow the relevant instructions and enter the details requested by the guided procedure, as well as pay the considerations indicated in art. 1 of Annex 1.

The Applicant must be the Holder, or be in possession of a formal proxy issued by the Holder according to the relevant procedure indicated on the website www.registro1000miglia.it.

The 1000 Miglia Registry Office, on recommendation of the Management Committee, reserves the right to request any further data and / or information relating to the Car that it deems useful and / or necessary for the purpose of the analysis and / or the potential issuance of the Certificate.

- 5.2.2 During the examination of a Request, the Management Committee may:

- a) Request an inspection of the Car. Any costs for transporting the Car to the location identified by 1000 Miglia S.r.l. for the inspection will be borne by the Applicant. Alternatively, the Applicant may request an inspection at a location identified by him; in this case, the 1000 Miglia Registry Office

will provide in advance for an estimation of the costs to be incurred. In case the Applicant refuses to have the Car inspected, the provisions of art. 4 of Annex 1 will apply.

- b) Request further documentation. In the event of failure to present the documentation within the terms provided, the Certificate will not be issued and the consideration referred to in art. 4 of Annex 1 will be reimbursed.
- 5.2.3 As soon as the examination of a Request is completed, and in any case within nine (09) months from the filing of the same, the Management Committee can:
- a) dispose to issue the Certificate;
 - b) In the following cases, reject the Request and reimburse the consideration referred to in art. 4 of Annex 1:
 - i. The Car is not Eligible;
 - ii. Documentary inconsistency;
 - iii. Failure to submit the documentation requested by the Management Committee within the terms;
 - iv. Refusal of having the Car inspected as requested by the Management Committee;
 - v. Technical inconsistency of the Car.
- 5.2.4 Rejection of Requests can be challenged before the Scientific Committee according to the procedure set out in article 5.3.

5.3 Request for review to the scientific committee

- 5.3.1 Within thirty (30) days from the notification of rejection of the Request, the Applicant may request to the Scientific Committee a review by sending a communication to support@registro1000miglia.it upon payment of the consideration referred to in art. 5 of Annex 1 as a security deposit.
- 5.3.2 The Scientific Committee, following the review and in any case within three (3) months from the request, may:
- a) Resolve to issue the Certificate: the security deposit will be refunded;
 - b) Reject the request for review without any reimbursement of the consideration already paid pursuant to art. 5 of Annex 1 and withholding the percentage provided for in art. 5 of Annex 1.

6. Duration of the certificate

Certificates remain valid for seven (7) years from the date of their issuance.

7. Amendment to the certificate during its validity

Any amendment subsequent to the issuance of the Certificate must be noted at the request of the Holder for the following cases, upon payment of what provided for in art. 6 of Annex 1.

7.1 Amendment to the car

The Holder is required to notify the Registry of any changes made to the Car after the issuance of the Certificate. The Holder shall carefully document the amendments made to the Car with respect to the original construction conditions.

The Management Committee will evaluate the congruence of the modifications made to the Car with respect to the originality of the Car itself (any type of modification must not make the Car different from the model registered in the 1000 Miglia editions 1927-1957). At the end of the assessment, the Management Committee can:

- a) If the changes are considered valid, dispose the issue of the Certificate;
- b) If the changes are not considered valid, revoke the Certificate pursuant to art. 9.3.

7.2 Change of the holder

If, during the period of validity of a Certificate, the ownership of the Car changes, the new Holder, in order to be entitled the Certificate, must fill in the dedicated section on the website attaching the documentation relating to the change of ownership, including the updated FIVA ID, and pay the consideration referred to in art. 6 of Annex 1. A new Certificate will be issued for the Car, with the same Identification Number as well as duration.

7.3 Change of the certificate from eligible to participant

If a Participant Certificate is requested for a Car for which an Eligible Certificate has already been granted, the Holder must submit a new Request according to the procedure set out in art. 5 of these Regulation. The duration of the Certificate remains the same as that of the Eligible Certificate already issued.

The Management Committee, following the examination of the variation request, can:

- a) Dispose the issuance of a Participant Certificate. The Holder must return the Eligible Certificate and the Plaque to 1000 Miglia S.r.l. at his/her own expense.
- b) Reject the Request, reimbursing the consideration referred to in art. 6 of Annex 1.

8. Renewal, suspension and revocation

8.1 Request for a renewal of the certificate

Once the Certificate has expired, it can be renewed upon request and upon declaration by the Holder that the Car conditions are unchanged, circumstance that shall be photographically documented.

The Applicant must visit the website www.registro1000miglia.it, follow the relevant instructions and enter the requested data as well as pay the consideration pursuant to art. 7 of Annex 1.

The Management Committee will proceed in accordance with the provisions of art. 5.2 of this Regulation.

8.2 Suspension of the certificate

1000 Miglia S.r.l. has the right, at any time, if it suspects a discrepancy in the documents or amendments to the Car undisclosed at the time of issuance of the Certificate, and in any case at its discretion, by motivated decision, to suspend the Certificate until the end of the verifications that will be carried out by the Management Committee to assess the situation.

If the suspension measure prevents the Car from being registered in one or more 1000 Miglia races, no liability and / or damage can be attributed to 1000 Miglia S.r.l. due to the suspension of the Car.

8.3 REVOCATION OF THE CERTIFICATE

1000 Miglia S.r.l. has the right, at any time, in case previously unknown information emerge that may invalidate the validity of the previous approval or modifications of the Car after the issuance of the Certificate, and in any case at its sole discretion, to revoke the Certificate issued requesting to return the Certificate itself and the Plaque, to be both returned to 1000 Miglia S.r.l. without delay with shipping costs to be paid by the Holder. No refund of any consideration is due in case of revocation of the Certificate. The revocation resolution approved by the BoD is entered in the Register by the 1000 Miglia Registry Office. As a result of the revocation, the Certificate shall be considered null and void.

8.4 CHALLENGES

Revocation measures are open to challenge, pursuant to art. 5.3 of this Regulation, before the Scientific Committee within thirty (30) days from their communication, under penalty of forfeiture.

9. Legislazione applicabile e foro competente

- 9.1 This Regulation is drawn up, and shall be interpreted, in accordance with Italian laws.
- 9.2 Any dispute arising, deriving from or connected to this Regulation and the activities of the Register and of its bodies shall be subject to the exclusive jurisdiction of the Court of Brescia, Italy.

10. Italian legislative decree no. 231/2001 And ethical code

- 10.1 The Holder declares to know the content of Italian Legislative Decree 8 June 2001 no. 231 and undertakes to refrain from any conduct suitable for configuring the hypotheses of crime referred to in the decree itself (regardless of the actual perpetration of the crime or its punishment). Failure to comply with this commitment is considered by the parties to be a serious breach and a reason for termination of the contract due to breach pursuant to art. 1453 of the Italian civil code and 1000 Miglia S.r.l. will have the right to terminate the same with immediate effect.
- 10.2 The Holder also declares to have read and carefully evaluated the content of the Code of Ethics and Conduct published on the company's institutional website at the following link: <http://www.1000miglia.it/Amministrazione-Trasparente/Disposizioni-Generali/Atti-general/> and to deem the guiding principles, values and purposes that the document proposes to be shared, with a view to affirming the culture of legality, transparency, as well as combating illegal phenomena, especially fraud, mafia infiltration and corruption in the Public Administration. Failure to comply with the principles and rules referred to in the Code of Ethics and Conduct may result in the termination of the contract and / or the right for 1000 Miglia S.r.l. to request compensation for damage suffered.

11. Data protection

Personal data will be processed by 1000 Miglia S.r.l. (with legal and operational headquarters in via Enzo Ferrari n. 4/6 - 25134 Brescia, Italy) as Data Controller and in compliance with the obligations established by EU Regulation no. 2016/679 (GDPR) and by Italian Legislative Decree no. 196 of 30 June 2003 as subsequently amended (Privacy Code), as per the information no-tice on the website www.registro1000miglia.it.

12. Miscellanea

- 12.1 The contents of this Regulation is drawn up in two language versions, Italian and English. The Applicant and the Holder expressly accept that, in the event of any differences, discrepancies and / or disputes, the Italian version and interpretation is to be considered prevailing. The English translation has a mere informative value.
- 12.2 1000 Miglia S.r.l. has no certification power and therefore no responsibility can be attributed to 1000 Miglia S.r.l. with regard to the authenticity of the documentation presented by the Holder or by the Applicant for the purpose of obtaining the Certificate.
- 12.3 The issuance of a Certificate does not grant the Car any greater economic value than the market price of the Car as can be found in the best sector magazines, if any.
- 12.4 The request for registration in the Register constitutes full and express acceptance by the Holder of all the terms and conditions of this Regulation and relevant Annexes.

13. Recipients of this regulation
